

CONSIDERAȚII PRIVIND RECUNOAȘTEREA INTERNAȚIONALĂ A CALIFICĂRILOR PROFESIONALE

Maria NICOLAE*

An overview of European higher education shows that this sector is growing and that is so far as it is not subject to clear rules of mutual recognition of qualifications. Few of these quality assurance procedures take account of the internationalization of higher education. Internationalization of higher education implies, however, the need to internationalize quality assurance procedures to a certain extent. Fair recognition and effective procedures are essential to the realization of the European Higher Education Area.
