Abstract

The President of the International Accreditation Forum (IAF) emphasizes the unprecedented collaboration between ISO and IAF for the revision of the standard ISO 9001. He mentioned the significant changes which enhances the business value of conforming to ISO 9001:2015, too. Finally, the key points for the transition to ISO9001:2015 - in the vision of IAF - are outlined.

Keywords: Standard, ISO, ISO 9001:2015, ISO/FDIS 9001, International Accreditation Forum, IAF, Quality Management System, Certification, Transition
